

# ChovASTAR REINFORCING MESH 10x1 y 10x0.25 m

CHOVASTAR®

cód. 75300 - Mesh 10x1  
cód. 75310 - Band 10x0,25

## Reinforcing mesh for liquid ChovASTAR waterproofing

### Description

ChovASTAR® REINFORCING MESH are products formed by glass fibre used as reinforcing armor for waterproofing paints and other ChovASTAR range waterproofing liquids. Available in 10x1 y 10x0,25 format.

Very resistant

**10x1 m**  
**10x0,25 m**

### Installation

Apply a first layer of liquid waterproofing, and while still wet, place the mesh.

When must overlap different mesh strips, overlap must be 3 cm. minimum.

Thereafter, while the first layer dried, a second layer of liquid waterproofing applied above the freshly mesh, so that all elements form a single body.
